

**VOICU & FILIPESCU SCA**

in association with Squire, Sanders & Dempsey L.L.P.

is looking for:

**TRAINEES**

**Candidate Profile:**

- Law School student.
- Organized nature and proactive attitude.
- Quality driven, able to deliver in challenging situations.
- Fluent in English and computer literate (Microsoft Office).

**Opportunity:**

- The open trainee job is part of our internship program "Growth Catalysts", aimed at providing young people with a starting point for their career in business law.
- Selected candidates will be offered a three months intern position in one of the top law firms in Romania, where they will have the chance of putting their theoretical knowledge into practice and learning from experienced business lawyers. A flexible working schedule can be designed, so that to meet trainees' educational needs.
- A performance assessment will be conducted following an initial three months period and trainees with the best results will be considered for permanent positions or inclusion in our scholarships program.

**Application:**

- CV and letter of intent, in English language.
- The letter of intent is the key element of the application and should include your motivation for applying, your professional profile and goals, as well as a description of the elements that make you a fit candidate.

**If you want to join our team, please send your application at [careers@vf.ro](mailto:careers@vf.ro), subject: Trainee**
