

Strong Recognition of Voicu & Filipescu's Activity by Legal500

Voicu & Filipescu was commended in all practice areas covered by Legal500 EMEA for Romania in the 2009 of the guide published by major UK legal market information provider Legalease.

April 2009: Legal500 EMEA 2009 edition recommended Voicu & Filipescu in all eight practice areas covered for Romania. The firm is recommended for its practice in Banking, Finance and Capital Markets, Corporate and M&A, Dispute Resolution, Energy, IT, Telecoms and Media, Privatization and PPP, Project Finance, Real Estate and Construction.

The firm and its lawyers received strong recognition from its clients under a thorough research process carried out by Legalease:

"According to clients, the firm offers a dependable, solution-orientated approach" delivered by "a very knowledgeable team of lawyers."

The firm was *"lauded by clients for its hard-working lawyers and ethos of working with you rather than simply working for you."*

"Client consider the energy practice to be an impressive outfit, we were thoroughly satisfied."

"Clients consider the project finance practice to be a source of great advice, quality lawyers, and solid results."

"One client said of the real estate and construction practice: we were very pleased with the service we received. The advice was excellent, as were the language skills and customer interface."
